As you know, the Board is busy working to make this a season to remember!! We are taking no time off this year and working on revamping things so you and your athletes can have the best experience yet!

In line with that, we are soliciting committee members that could assist the board with various tasks throughout the season. These positions would fulfill your mandatory volunteer time and give you a chance to see the work that goes on behind the scenes to make those programs run. Please note, these are not Board positions. *

At the end of the season, if the committee members have performed fulfilled their commitments, they will receive either a 50% registration refund or 50% discount towards next year. **

SNACK BAR COMMITTEE - # of positions: 2-3

The snack bar committee will be responsible for picking up game day items ordered by the Board and bringing them to the field each game day by 7:45 am. These committee members will also be responsible for ensuring the snack bar is cleaned up at the end of each game day. This year, the Board plans to bring back a snack bar and/or special dinner days during preseason conditioning and/or practice days. The committee would be needed to help with these days as well.

Duties may alternate between committee members. These committee members will be working closely with all board members and will be reporting to (x).

FIELD SET UP - # of positions: 2-3

These committee members will be needed to set up the fields for home games, as well as any other events EGJTH may host. Game day arrival time will be 7:30. Tasks include setting up yard line markers, ensuring there is water on the sidelines, setting up the game clock to start a 30-minute count down before the game, and other tasks as needed to get game day underway. These committee members will be working closely with and reporting to the equipment coordinator.

FIELD TEAR DOWN - # of positions: 2-3

These committee members will be needed to set up the fields for home games, as well as any other events EGJTH may host. Tear down will begin upon completion of the final game. Tasks include tearing down and putting away yard line markers, water jugs and water bottles, and other tasks as needed to wrap up game day. These committee members will be working closely with and reporting to the equipment coordinator.

PRACTICE FIELD LIGHTING - # of positions: 1

EGJTH owns and maintains the light plants that are used at the practice field at Kerr. These light plants required maintenance when they are brought out to the field, and occasionally throughout the season. EGJTH will provide any replacement/equipment needed to conduct the repairs. This position will work closely with the equipment coordinator and president and will report to the equipment coordinator.

SOCIAL MEDIA - # of positions: 2-3

These committees members will be responsible to take photos and videos throughout the season to be provided to Board members. Any media taken, will be turned over to the board and become EGJTH property. Committee members will not post to social media on behalf of EGJTH. These photos and videos will be conducted regularly and may be requested from practices and games. This position will work closely with all Board members but will report to the president.

*Failure to perform these duties will result in volunteer hours being required.

**Please note refunds and any fundraising done will not result in a refund exceeding the amount paid for registration.
